

**Remarks**

Claims 10, 11, 18 and 19 are pending in this application. The application is stated to be in condition for allowance except for formal matters specified in the Office Action dated January 18, 2008.

Claims 10, 11, 18 and 19 were objected to as being drawn to non-elected invention subject matter. Further, Claims 10, 11, 18 and 19 were objected to for the language "in association with."

Consistent with practice under Ex parte Quayle, 25 U.S.P.Q., 74, 453 O.G. 213 (Comm'r Pat. 1935), Applicants have amended each of Claims 10 and 18 to delete from the scope of those claims non-elected subject matter. Applicants have also amended each of Claims 11 and 19 to delete the language objected to by the Examiner and replace the deleted language with language suggested by the Examiner.

Applicants have amended each of Claims 10 and 18 to delete the phrase "or solvate." Further, Applicants have amended Claim 18 to insert a comma after each compound name for clarity.

Applicants believe they have fully responded to the January 18, 2008 Office Action and properly responded in accordance with Ex parte Quayle practice.

Applicants respectfully request favorable consideration of the invention as claimed and passage of the application to issue.

Respectfully submitted,

/John C. Demeter/
